

I. BACKGROUND:

President Barack Obama signed the Workforce Innovation and Opportunity Act (WIOA) into law on July 22, 2014. WIOA is designed to help job seekers access employment, education, training, and support services to succeed in the labor market and to match employers with the skilled workers they need to compete in the global economy.

Section 128(b)(4) and 133(b) of the Workforce Innovation and Opportunity Act identifies the allocation process for Title I local area formula funds. In addition, Section 116(b)(2)(B) allows provision for the State Workforce Development Board to identify additional performance accountability measures. The Tennessee Department of Labor and Workforce Development has issued Policy TN-WIOA 17-11 to define a Title I local area formula fund minimum participant cost rate for allowable WIOA funded services.

II. PURPOSE:

The Board is required to ensure a minimum of 40 percent of their WIOA Title I formula allocations are expended on allowable participant cost on a program year basis. This policy will provide a list of qualifying Expenditures for the 40 percent calculation under the TN-WIOA 17-11 policy.

III. Qualifying Expenditures are those that represent the cost of services for Title I participants that do not include administrative, personnel, or operating expenditures.
