Public Law 113-128 WIOA of 2014, as amended (29 U.S.C. 3101 et seq.), Section 121(g), Notice of Proposed Rule Making (NPRM) WIOA Regulations, 20 CFR 601, 651, 652 et al., Off of Management and Budget (OMB) cost principles codified in 2 CFR Part 220, CFR 225 and CFR 230; TEGL 4-15, 678 .8 00,678 .305(d); Workforce Services Policy #19: One-Stop Certification.

**Background**

WIOA requires regional planning - a broad strategic approach to planning focused on the overarching vision, goals, alignment and shared responsibilities within the region. Tennessee shall implement a dual approach to meeting this requirement by allowing a one-year transitional plan. This approach provides flexibility for regions that may not yet be able to fully address all of the outlined criteria required in a four-year regional plan.

Each Local Workforce Development Board and its respective chief elected official(s) must collaborate with the other local workforce boards and chief elected officials, within their respective planning region, to prepare and submit a transitional one-year regional plan. A template has been developed for use in preparing the transitional plan.

**Regional Planning Council**

The composition and roles and responsibilities of the Regional Planning Council are:

- Comprised of members who represent the core WIOA partners (Title I, Title II, Title III, and Title IV)
- Meet monthly during strategic plan development
- Meet quarterly to advise and recommend action plans for the local areas
- Ensure the WIOA regional plan action steps intended to streamline regional workforce systems using the following, but not exhaustive, list of objectives
  - o Foster a Culture of Achievement within the Region
  - o Set WIOA Implementation Schedules and Meetings with Stakeholders
  - o Leverage Regional Planning Councils and Local Boards without Duplication
  - o Align the Local Workforce Development Areas with the ECD Regions
- Set WIOA implementation schedules

**Title:**

**Transitional Regional Plan Policy**

**Policy 00-20**

**Public Comment Period**

The transitional PY \_\_\_\_ regional/local plan(s) must be posted as one cohesive document for a 30- day period of public comment. Notification of the posting of the regional plan(s) must be made simultaneously to the general public and all relevant regional/local stakeholders, as well as to the State. Any comments received in relation to the content of the draft transitional PY \_\_\_\_ regional plan must be addressed within the plan prior to submission to the Department.

**Plan Submission and Decision Submission**

Plan submission emails must copy all Local Workforce Development Board directors and chief elected off within the Regional Planning area and contain the subject line "{Region Name} PY 201\_ Transitional Regional Plan

**Transitional Planning Policy I 2****Decision**

Regional plans submitted to the Department are considered approved if the Department provides the regional contact with a notification of approval. If the Department does not send the regional contact notification within 90 days of submission, the draft plan is considered approved.

The Department may choose not to approve a draft plan submission for any of the following reasons: Deficiencies exist in activities carried out in WIOA subtitles A and B; the plan does not comply with the applicable provisions of WIOA; the plan does not align with Tennessee's Combined State Plan.

Future Planning Requirements:

- Each planning region must begin the development and completion of a transitional local plan to be followed by the WIOA (four-year) planning requirements. Such planning requirements are satisfied through an expansion of the one (1) year transitional plan into a more comprehensive multi-year regional plan and local plan. Guidance regarding comprehensive multiyear regional and local planning requirements will be provided at a future date. LWDA areas meet quarterly to: Review the implementation steps that have taken place between partners, Review actions that may still be pending, and, develop strategic goals for the future

**Transitional Planning Policy I3**

In addressing the criteria outlined below, if the planning region is not fully prepared to provide a complete response to the specified criteria at time of plan submission, the region must provide an indication of how the region shall address the respective criteria requirement during the transition period and in the forthcoming regional plan. Please address the following criteria in a narrative of 10 pages or less.

- A reference name for the planning region;
- Identification of the local workforce development areas that comprise the planning region;
- Identification of the county/counties each local workforce development area serves;
- Identification of the key planning region council members charged with drafting the regional plan;
- Indication of the local workforce development area each council member is associated with; and
- A list of key planning region committee meeting dates. [WIOA Sec. 106(a) and (c)]
- A description of the planning process undertaken to produce the transitional regional plan, including
- A description of the planning process undertaken to produce the transitional regional plan, including a description of how all local areas were afforded the opportunity to participate in the transitional regional planning process.

Please provide a labor market and economic analysis of the workforce development planning region. This shall include an analysis of existing and emerging in-demand industry sectors and occupations, and shall include the employment needs of employers in those existing and emerging in-demand industry sectors and occupations. All core partners (WIOA Titles I-IV) should be involved in both providing and analyzing the data. This regional analysis shall include:

- The knowledge and skills necessary to meet the employment needs of the employers in the region, including employment needs in in-demand industry sectors and occupations.
- An analysis of the current workforce in the region, including employment/unemployment data, labor market trends, and the educational and skill levels of the workforce, including individuals with barriers to employment.
- An analysis of workforce development activities in the region, including available education and training opportunities. This analysis must include the strengths and weaknesses of workforce development activities in the region and the region's capacity to provide the workforce development activities necessary to address the

education and skill needs of the workforce, including individuals with barriers to employment, and the employment needs of employers in the region.

The analysis may also include:

- An assessment of what sectors/industries are considered mature but still important to the regional economy, current and in-demand, and which are considered emerging in the regional economy.
- A discussion of geographic factors (inherent geographic advantages or disadvantages) that may impact the regional economy and the distribution of employers, population, and service providers within the region.
- Information regarding the employment needs of employers, including how education and training align with targeted industries and occupations.
- The demographic characteristics of the current workforce and how the region's demographics are changing in terms of population, labor supply, and occupational demand.

Based upon the regional labor market and economic condition analysis as described in Attachment A, Attachment B (Dynamic Economies Report), and [Tennessee's WIOA Combined State Plan \(PY 2016 – PY 2020\)](#) as each describe the planning region's economic and workforce development oriented vision and strategic goals [WIOA Sec. 106(c) and Sec. 107(d)], please do the following

- Describe regional strategies used to facilitate engagement of businesses and other employers, including small businesses and in-demand industry sector occupations. Describe methods and services to support the regional workforce system in meeting employer needs. [WIOA Sec. 106(c)]
- Describe how the planning region will define and establish regional workforce development service strategies. Describe how the planning region will develop and use cooperative workforce development service delivery agreements. [WIOA Sec. 106(c)] Regions may consider:
  - Existing service delivery strategies that will be expanded, streamlined, or eliminated.
  - New service strategies necessary to address regional education and training needs.
  - Strategies to address geographic advantages.
  - Strategies to connect the unemployed with work-based learning opportunities.
  - Strategies to integrate existing regional planning efforts among core partners.

- Describe how the planning region will define and establish administrative cost arrangements, including the pooling of funds for administrative costs, as appropriate, for the region. [WIOA Sec. 106(c)] Regions may consider:
  - Current or proposed resource leveraging agreements.
  - Establishing a process to evaluate cost sharing arrangements.
  
- Describe how the planning region will determine and coordinate supportive services for the region. [WIOA Sec. 106(c)] Regions may consider:
  - Whether the provision of supportive services could be enhanced, and if so, how.
  - What organizations currently provide or could provide supportive services.
  - Establishing a process to promote coordination of supportive services delivery.
  
- Outline regional transportation issues related to workforce development and ways the region will address identified needs. Include a description and/or map of the regional commuting patterns. [WIOA Sec. 106(c)] Regions may consider:
  - Whether the provision of transportation services could be enhanced, and if so, how.
  - What organizations currently provide or could provide transportation services.
  - Establishing a process to promote coordination of transportation supportive services delivery.
  
- Describe strategies and services the planning region will employ to coordinate workforce development programs/services with regional economic development services and providers. [WIOA Sec. 106(c)] Regions may consider:
  - Current economic development organizations engaged in regional planning.
  - Education and training providers involved with economic development.
  - Current businesses involved with economic development organizations.
  - Targeted businesses from emerging sectors/industries.

- Describe how the planning region will establish an agreement concerning how the planning region will collectively achieve and report on the established performance accountability measures described in WIOA Section 116(c), for local areas and the planning region. [WIOA Sec. 106(c)]\* Regions may consider:
  - The process to be used for determining regional performance goals.
- Describe how the planning region will coordinate with area secondary education, community colleges and universities to align strategies, enhance services and avoid duplication of services. [20 CFR 679.540(b)]
- Describe how the planning region will address workforce development issues specifically related to its: cities and/or towns, suburban areas, and rural areas. [20 CFR 679.540(b)]
- Describe how the planning region will connect any regional targeted populations to occupational demands including individuals with barriers to employment. [20 CFR 679.540(b)] This should include but is not limited to at-risk youth, TANF recipients, SNAP E&T participants, Vocational Rehabilitation participants, and ex-offenders.

\* **Note:** The Department, the local board and the CEO reach an agreement on local targets and levels based on the negotiation process before the start of each program year. While the CEO remains ultimately responsible for ensuring the local area meets or exceeds such local targets and levels, performance negotiations must be coordinated regionally, requiring each planning region to establish an agreement describing how the region will collectively negotiate performance goals with the Department. [20 CFR 677.210(b) and (c)] and [20 CFR 679.510(a)(2)]
